

Screening Package: CPR/First Aid

Provided by AREUFIT Health Services, Inc

CPR AND FIRST AID CLASSES

Skills Covered:

Skills covered include: adult, child, and infant CPR & choking.

CPR Certification classes can be held at your location. You must have at least 6 participants in order to hold a class. Class times vary depending on class size. All participants will receive instruction manuals and certification cards after the completion of the class. Certification is good for two years, at which time it must be renewed.

*Our classes are recognized by the
American Heart Association*
